

Draft Board Here Has 150 Men Ready For First 1950 Call

The Arlington Draft Board announced this week it has some 150 men classed as 1A ready for immediate induction into the armed service. It was also announced that the board will now operate five days a week in accordance with the recent orders of the President of the United States.

The board will be open from 8:30 a.m. until 5:00 p.m. each day to handle the expected rush of draftees. All men between the ages of 18 and 25 who are not registered are now required to do so under law.

Mr. William Kirlin of Belmont, chairman of the Arlington Draft board, said, Monday morning; at the present time there are some 140 or 150 men now classified as 1A and ready for immediate draft should the President issue a call.

There are approximately 7500 Arlingtonians now registered with the board but of this number only the 150 have been classified.

Since the directive to re-open the draft boards has been announced the Arlington Board has decided to put two full time clerks on duty instead of the one half-time employee, now working.

The present board is one of forty boards set up throughout the State under the direction of Col. Chester A. Furbish, head of Selective Service for the State. This board, since 1948 has absorbed the Belmont and Watertown board and now caters to the draft needs of these communities as well as those of Arlington.

Mr. Kirlin said that it is possible these Towns may re-open their own boards if the situation becomes serious enough.

When questioned as to how many Arlington residents would be drafted, supposing the President ordered a call for 550,000 men, Mr. Kirlin said the figure locally would probably be around 100 to 125.

It must be remembered, said Mr. Kirlin, that the number would vary with the number of enlistments and would be spread over a period of time. The State of Massachusetts is required to turn over 3 per cent of the total number of draftees wanted by the Federal government. This 3 per cent is then split up over the forty draft boards throughout the State.

Monday night, President Truman (Continued on Page 2)

Stronger Policy Is Necessary, Denfeld Tells Service Clubs

Two Men Suffer Food Poisoning

Two men were admitted to the Symmes Arlington hospital Tuesday the result of food poisoning they received from chicken sandwiches they had eaten while en route here from Maine.

Chenel Roy, 32, and Leonard Baerby 18 both of 47 Bowworth St., Oldtown Maine were taken ill as they drove their truck through Lexington.

A Lexington cab driver picked up the two men and rushed them to the Symmes Arlington hospital for treatment.

They claim they had made the lunch them selves before leaving for Arlington from Oldtown.

Both men were held until their condition improved.

St. Jerome's To Play Here

The St. Jerome's Ball club, hottest in the league, will play a game Friday night at 6:15 at Purcell Field, North Union Street. Their opponents will be St. Joseph's of Roxbury who are holding down fifth place.

Rev. Father Hudgins of St. Jerome's, managing coach of the club, said Donald Brosnan, one of his ace pitchers will probably be on the mound for the home team. Top teams of the league are as follows:

St. Angelas of Mattapan
St. Mary's of Melrose
St. Jerome's of Arlington
Holy Name of West Roxbury

Tigers Still Lead League

The Tigers, hottest team in the senior circuit still leads the league with a record of three wins and no losses. They defeated the Cardinals, 7 to 6, Monday night in a thriller, which saw the Cardinals staging a ninth inning rally.

Higgins hurled a good relief ball for the Powers coached team, but credit for stopping what seemed to be a sure defeat for the Tigers goes to outfielder Robert Mahoney, who, with brilliant fielding, squelched the Cardinal rally in the ninth, to save the game.

In other Monday night games, the Braves dropped another game to the Pirates, the Red Sox defeated the Browns and the Yankees upset the Dodgers.

League standings are as follows:

| Team | Precincts | W | L | T | Pts. |
|--------------------------|-------------|---|---|---|------|
| Tigers | 2 | 3 | 0 | 0 | 6 |
| Dodgers | 11&13 | 2 | 1 | 0 | 4 |
| Yankees | 7&9 | 2 | 1 | 0 | 4 |
| Cardinals | 4&6 | 1 | 1 | 1 | 3 |
| Browns | 5 | 1 | 2 | 0 | 2 |
| Pirates | 1&3 | 1 | 2 | 0 | 2 |
| Red Sox | 12&14 | 1 | 2 | 0 | 2 |
| Braves | 8&10 | 0 | 2 | 1 | 1 |
| Results Monday July 10th | | | | | |
| Yankees 4 | Dodgers 6 | | | | |
| Red Sox 9 | Browns 1 | | | | |
| Tigers 7 | Cardinals 6 | | | | |
| Pirates 5 | Braves 4 | | | | |

Admiral Louis B. Denfeld, retired Chief of Naval Operations, blasted Russian Imperialism and told members of the Arlington Rotary and Kiwanis Clubs the only way we will defeat Russia is to have a strong foreign policy and something to back it with.

The Admiral spoke at the weekly meeting of the Rotary club which was held in the Boys club, Wednesday afternoon. Members of the Kiwanis club were invited to hear the Admiral speak on the "Korean Situation".

In an exclusive interview with the Arlington PRESS after the meeting, Denfeld said, "I doubt if the present situation in Korea will snowball into World War III. I cannot say definitely that it will not bring on the next war, this is just my opinion."

In his talk to the group of fifty men he said, "The Communist North Korea is linked up with the Russian Government. Their main object is to overthrow all of the governments of the world and we should not stand for it."

Continuing, he said, "I was a member of the Joint board of Chiefs of Staff of our government. We knew, prior to the Korean situation, how Russia intended to act. They showed their colors when

Reds Win In First Half

The Reds of the Junior League of the AYA have finally won first place in the first half of their league. They took top honors by defeating the Indians in a Saturday thriller, which was a make-up game.

The Senior League, on the other hand, is still trying to figure a method by which they can play off the four way tie existing in their league.

The second half has gotten under way in both leagues, with the Tigers one of the hottest clubs in the senior loop and the Reds and Giants tied for top spot in their circuit.

The game for the week in the Junior League seems to be the Giants and Indians who will meet in a twilight duel, tonight, at Purcell Field. The league standings are as follows:

| FINAL STANDINGS, FIRST HALF | | | | |
|-----------------------------|-----|------|------|------|
| | Won | Lost | Tied | Pts. |
| Reds | 6 | 0 | 1 | 13 |
| White Sox | 5 | 1 | 1 | 11 |
| Athletics | 4 | 2 | 1 | 9 |
| Indians | 3 | 4 | 0 | 6 |
| Giants | 2 | 3 | 1 | 5 |
| Senators | 2 | 4 | 1 | 5 |
| Phillies | 2 | 3 | 1 | 5 |
| Cubs | 0 | 7 | 0 | 0 |

STANDINGS IN SECOND HALF TO DATE

| | Won | Lost | Tied | Pts. |
|-----------|-----|------|------|------|
| Giants | 2 | 0 | 0 | 4 |
| Reds | 2 | 0 | 0 | 4 |
| Indians | 1 | 1 | 0 | 2 |
| Phillies | 1 | 1 | 0 | 2 |
| Cubs | 1 | 1 | 0 | 2 |
| Athletics | 0 | 1 | 1 | 1 |
| Senators | 0 | 1 | 1 | 1 |
| White Sox | 0 | 2 | 0 | 0 |

Driver Clinic Here July 19

Inspector Edward Sullivan, of the Arlington Police department, announced that on Wednesday, July 19th, the mobile driver clinic will be in Arlington.

The unit will be set up near the monument in Arlington center. The service is run by members of the registry department under Rudolph F. King, registrar of Motor vehicles.

People are asked by Inspector Sullivan to make use of this clinic to check their timing, coordination, vigilance and sensitivity to glare.

This clinic is designed as an aid to drivers and will in no way affect the license you now hold.

Parking Meters All Paid For

The Town Treasurer, J. Wilbert Anderson, announced last week, that the parking meters are all paid for, and that they not only paid for themselves, but for the maintenance men, parts and equipment necessary for repairs, and the officer and motorcycle that enforce the law of the meters.

The PRESS was fortunate this week in obtaining an interview with Mr. Anderson, at which time he was asked, "What now becomes of the money earned by our parking meters?"

The money will be placed into a fund, according to the treasurer, and out of this fund the meters will be maintained and repaired. The white lines now painted around the meters which designate the parking area for each meter were also paid for out of this fund.

This reporter figured there would still be a large sum left after the aforementioned expenditures and pursued the initial question.

It was then discovered the excess money could be used to purchase off street parking areas, if the Town so desired, and repair the street lights over the meters should become disabled for any reason.

A Town meeting vote could also take this money and use it for any traffic purpose for which they see fit, according to Mr. Anderson. However, this would require a change in the present statute which could only be accomplished by a vote of the Town Meeting members.

"It must be remembered, said Mr. Anderson, "the Town is not allowed by State law to make a profit on meters. If a profit is being made then the Town must increase the time allotted for the money put in. By this method the income from the meters could be reduced."

Are You A Voter?

Are you a voter? Is every member of your household who is over 21 registered? Putting your name on the police listing in January did not make you a registered voter? Girls who have married should register. The League of Women Voters of Arlington is attempting to help all citizens to become registered voters. From time to time further registration facts will be presented by the League with the cooperation of your local newspaper.

The office of the Town Clerk is open for registration daily except Saturday from 9 A. M. to 5 P. M. to help all citizens to become registered.

Announce Plans For Playoffs In AYA Senior Loop

The senior loop of the AYA league announced its playoff plans of the first half. These playoffs have been delayed due to a four way tie for first place, complicating the usual procedure for the league.

After due deliberation, the league fathers have said there will be a doubleheader on Saturday, July 22 at Spy Pond Field, with the Browns playing the Red Sox in the opener and the Tiger versus the Dodgers in the nitecap.

The winners will play off Saturday, July 29th at 2:30 p. m., to break the four way first place tie. The Double header will get under way on the 22nd at 1:30 p. m.

Civilian Defense To Be Reorganized Here

The civilian defense bill, much more comprehensive than that used in the recent war was passed by a vote at the State House, Tuesday morning.

The bill provides the Governor with the power to establish, civilian defense units throughout the Commonwealth whenever he sees fit.

The house after passing the bill sent it to be re-worded before a final vote is taken.

It is expected that Governor Dever will immediately organize the Auxiliary Police unit and that it will absorb the Air Raid Wardens' unit, when it is organized.

Lt. Albert Ryan and Sergeant George F. Gibbon are being sent to

a special Red Cross Disaster School to study in first aid in order that they might teach it to members of the civilian defense corps.

Chief Richard J. Tierney of the fire department said his department was ready to re-organize its auxiliary firemen and start them on fire fighting training. He will also send two men to the Red Cross School and tentatively named Captain Harry Cooper as one of the designates to the instructors school. It is probable that Captain James Doherty will head the training program of the Auxiliary Firemen. However, nothing is certain as yet.

Town Treasurer, J. Wilbert Anderson advised the PRESS the Selectmen are emboldened by the power to make the necessary appropriations for this civilian defense unit in an emergency. Other than that, a special Town Meeting

DRAFT BOARD—

Continued From Page One

issued the first draft call asking for 20,000 men to augment the armed forces here who have been dispatched to Korea.

Draft Boards throughout the State have been accused of being far behind in their manpower classification systems, according to a report recently issued. Mr. Kirlin advised the PRESS the Arlington board is naturally behind due to the limited clerical help it has had. However, said Mr. Kirlin, we have classified some of our applicants which is more than many of the boards can say.

A member of the local board said the reclassification system that has been in effect has functioned well here in Arlington. The board has sent out questionnaires to all registrants up to twenty two and one half years of age. Most of the applicants under this age have been registering on the new form, thus the board's doing much better than most boards as far as manpower classification is concerned. It was also stated that those with a white draft card have not been reclassified but will be so in short order.

The draft board stated that after a man has been examined he is then classified. Then the board is required by law to wait 21 days before they can call the man, allowing him ample time to clear up his personal affairs. Actually it will require some two months before the first draftees can be sent on their way. The first to go will be men 25 years of age and then the boards will take the twenty four year olds and on down. All veterans are exempt from further military service at present. A veteran is any one who served at least 90 days between Dec. 7, 1941 and Sep. 12, 1945, or at least 12 months between Sept. 16, 1940, and Dec. 6, 1941, or between Sept. 13, 1945 and June 24, 1948. Other exemptions are listed elsewhere in this paper.

Colonel Chester A. Furbush, State Director of the Selective Service system for Massachusetts in a release to the PRESS, in commenting on the extension of the Selective Service Act, took occasion to call attention to the fact that his legislation provides for the registration of all male persons presently between the ages of eighteen and twenty-six, except those persons presently on active duty in armed forces. He emphasized that all persons in that age category who are not already registered must immediately comply with the provisions of this law.

While he did not ascribe to it a widespread intent to avoid the law, the State Director declared that the halt in inductions had apparently caused misunderstanding to exist in the minds of persons relative to their obligation under the Selective Service Act. Such a person, although not liable for induction into military service until he becomes nineteen years of age, must complete his legal obligation by pre-

siding have aired their views and it should make for an interesting battle at the next Town Meeting.

The housing authority stands pat in refusing to admit in which of the many possible locations it plans to build in, hoping to prevent further action on the part of petition signers and their opponents.

The only thing to do is remember the old service slogan of "Let's wait and see what develops."

sides have aired their views and it should make for an interesting battle at the next Town Meeting.

senting himself to a local board for the performance of this duty. If he happens to be away from home, he need not return, but may register at the nearest local board of convenience to him and the record will be sent to the local draft board having jurisdiction even though it is in another State.

After a person registers it is mandatory that he keep his local board informed of any change in his address or a change in status. This applies after he becomes twenty-six years of age as well as before.

Questioned concerning a man who did not register during the designated registration days—30 August through 18 September 1948—because he was then on active duty in the armed forces, Colonel Furbush explained that he is required to register within thirty days from the time he is separated from the armed forces. "Any person who changes from a status which did not require his registration to a status which does require it must register promptly to be within the law," Colonel Furbush said, adding that those who were out of the country on the registration days must register within five days following the date they reenter the United States.

The Draft Board covering registrants of the Town of Arlington is located in the Robbins House (Rear of Robbins Library) 672 Massachusetts Avenue, Arlington. The Board advises those who should have registered and have not done so to at end to this matter as soon as possible.

ADMIRAL DENFELD—

Continued From Page One

they blockaded Berlin, but our Air force, both Navy and Army, defeated their imperialistic move. The main intention of the Russian government in blockading Berlin was to force the United States Occupation Army out of there and take over Germany. We defeated them and they conceded the defeat.

In discussing further aggressive movements of the Russian Government the Admiral said, "The incident we recently experienced in the Baltic, was just a show on the part of Russia that the Baltic Sea belonged to her. We lost a privateer, which is a navy plane. We also lost this stage of the cold war, for Russia gave us no satisfaction. They have designs on the Dardanelles, but, rest assured, Turkey will never give up this piece of territory until she has lost her last man." "You never know where the Russians are going to strike next," the Admiral went on to say, "We made one of our greatest mistakes when we took our troops out of China. I was much opposed to this move and said so as Commander of the Pacific Fleet."

"There is much comment today about other members of the United Nations not giving us help in Korea. We must remember that England and France have their best troops and ships are tied up in Hong Kong and French Indo China. They refused to move their troops for the Russian Boat." The Russian politburo is trying to tie up United Nations troops all over the world, and thus confuse us when and if they make an initial push.

Admiral Denfeld warned the American people they must plan to make an appropriation of 15 billion dollars a year for National Defense.

He said, "If we do not do this we will be spending 500 billion for the next war, and we could lose that one, if we are not prepared."

Admiral Denfeld said, "the present situation in Korea might have been prevented had the administration done what the joint chiefs of Staff asked them to do last year. They all asked for appropriations for their various department. I asked for enough money to put four carrier task forces in each ocean but I did not get it," said the Admiral. "If we had these carriers over there when this situation broke, it might have been squelched before it started." The Admiral became quite dignified when he spoke of the recent Washington issue in which he and other heads of various armed forces departments asked for money. He said, "When I was Chief of Naval Operations, I knew what I needed and no one knew better, but I was still re-

used any appropriation. Not only myself but the heads of the Army and Air force, who also knew their needs, were refused too. I ask the American people to trust the requests of these men. They know what they are doing, and if they ask for appropriations you can be darn sure they need them. So advise your representatives in Washington that you too are cognizant of these facts."

"Another thing to remember is we have an air force consisting of two or three thousand planes, Russia has 18,000 and is building six to ten thousand a year. We have ten fully mobilized army divisions, Russia has 170 divisions.

In commenting on Formosa the Admiral advised the group that the Navy could protect it from an attack because it is completely surrounded by water, where as, Korea is not.

The Admiral ended his talk with five points he wished to stress: (1) This Country must be assured of a strong moral character, we must not go soft as so many overrun nations have. (2) The Communist element must be kept under control and suppressed if necessary. (3) We must maintain a sound economy, for Russia hopes for a depression to gain a foothold here. (4) The Industrial potential of this country is our most important asset. We must protect it from bombers and espionage. This can be done by civilian defense measures. (5) We must have a strong national defense. Russia wants us to weaken. I left the service in Washington on for this very reason. Our legislators apparently do not believe in strong National defense. We still do not have enough carriers, planes, or members of the Armed forces."

A question on an answer period followed in which members asked the admiral to clarify points of his speech.

CIVILIAN—

Continued From Page One
would have to be called to appropriate the necessary funds to carry on Civilian Defense.

It was reported that the new defense bill is much more comprehensive than the one used during World War II. However, there are no details available as to what this would entail.

It was also pointed out by the Town Treasurer that any funds appropriated now, would be added on to the 1951 tax rate and would not affect the 1950 budget.

Residents are asked not to volunteer for these emergency units as yet. The bill as it now stands, without any action by Governor Dever, would only set up the machinery for a possible emergency call.

When and if the civilian defense units are to be set in operation will be announced in this or the daily papers.

SULLIVAN-BURNS

John H. Burns of Arlington announces the engagement of his daughter, Dorothy E., to Daniel H. Sullivan, Jr., son of Mr. and Mrs. Dan H. Sullivan of West Newton. Miss Burns graduated from St. Ann's Academy in Marlboro, and Regis College with the class of 1947.

Mr. Sullivan served with the United States Army in the Pacific during the war, and is a graduate of Boston College.

October 28th is the date chosen for the wedding.

IN THE RED

The Post Office, although it is potentially self-sustaining had a \$263-million deficit in 1947, \$310 million last year and will probably lose \$500 millions this year. It cost 2 and one half cents to print and deliver a penny post card, for example. This is one of many facts revealed by the bipartisan Hoover Commission indicating that if the Hoover Report is adopted, savings of from \$3 to \$5 billions a year can be saved, according to the Citizens Committee for the Hoover Report.

Keenan Bills Pass In House

Representative Henry E. Keenan, informs the PRESS that two bills assigned to him on the committee of Metropolitan Affairs pertaining to general improvements in the Alewife Brook and Mystic River area have been passed by the house.

The first Bill that was passed by the House of Representatives of which Representative Keenan was in charge, was a bill calling for the M. D. C. to erect a stadium at Dilboy Field in the City of Somerville, the maintenance of the same to be taken care of by the City.

This field has been a prominent

field for a number of years for athletic events and other municipal celebrations. The Stadium has been in poor condition for years and the playing field was excavated last year for the installation of the new sewerage system. Therefore, there has been a need for the reconstruction for a proper field and stadium which will be undertaken by the M. D. C.

The other bill called for the reconstruction of a bridge and its approaches over the Mystic River in the City of Medford into Salem Street from the Mystic Valley park way to Oakland Street in the direction of the Fellsway. This is a necessary improvement to relieve traffic conditions at Medford Square and will BY-PASS Medford Square. This improvement with

Search For Child Ends At Her Home

The Arlington Police and Fire departments searched the Arlington Heights Area and even dragged the Reservoir Saturday afternoon in an effort to find Carolyn Hatlos 3, of 19 Westmoreland Avenue, Arlington, who was reported missing, at noontime, by her mother.

Mrs. Hatlos called police headquarters shortly after noon Saturday and reported her daughter had not returned home for her lunch.

Officers Maurice Scannel and John McNally were sent to search the area for the child.

By 2:15 p.m. they reported the

child was not in the area and was last seen at the Arlington Heights reservoir.

Officer William Scanlan with Lt. James Flynn, the ambulance and boat, were sent to the pond to start dragging operations, on the presumption that the little girl might have fallen into the water and drowned.

Inspectors Thomas Curran and John Hourihan along with the Fire Departments special service truck were also dispatched to the reservoir.

The Metropolitan District Police brought grappling hooks, irons and nets to assist in the search.

While rescue operations were proceeding, the Lexington police called Arlington police and reported they had found the youngster and were returning her to her home.

the building of the new road way from the Mystic Valley Parkway to the General Lawrence Bridge will greatly relieve the traffic flowing along route 16.

Both Bills are now before the Senate for action.

Firemen Mourn Loss of "Polly"

Firemen attached to headquarters were saddened Monday morning, when Chief Richard J. Tierney announced that "Polly", the station mascot, had passed away over the week-end, presumably from a heart ailment.

Polly was a well-known figure in local circles, having been number one man on the entertainment committee at the fire house. She loved kids, and when the first and second graders visited the fire house, in a group, the bird would dance, sing and go through a one man acrobatic show.

It was reported that "Polly" never recovered from a seige of virus pneumonia she suffered this winter. Of late she had not spoken a word and shied away from anyone that came near her cage.

Most of the firemen knew it was only a matter of time before her old heart gave out. Chief Tierney said all of the men would miss the bird, for she used to holler at the men and really act like a fireman when the alarm would ring.

The bird had an uncanny sense of hearing, and when some of the men would be talking prior to going to sleep at night, she would holler "Shut-Up", and it could be

heard echoing across the second floor halls, and if anyone talked back to her she would get down right indignant.

The bird was donated to the department by a woman, who said she could not take care of it any longer. It was donated on the condition that the bird would have a good home, which it did. The firemen even cured her of swearing.

Chief Tierney is making an appeal to anyone who would like to donate a parrot to the firemen. The bird was definitely a moral builder said the chief and we sure need another one. If you have a bird you could give to the department and would like further information, call Chief Tierney at Arlington 5-4030 or the Arlington PRESS Editor at Arlington 5-7997. The chief wishes to assure anyone, who is willing to give a bird, that it will receive excellent care and treatment.

TWIN DAUGHTERS

Mr. and Mrs. Richard P. Morris of 231 Massachusetts Avenue, Arlington, announce the arrival of twin daughters, Linda Helen and Louise Marion, at the Winchester Hospital Sunday June 25, 1950.

Mrs. Morris is the former Marion Parece of West Medford. Grandparents honors are shared by Mr. and Mrs. Anthony J. Parece of West Medford and Mr. and Mrs. John Morris of Arlington. Great-Grandparents are Mrs. Mary Parece of West Medford, Mr. Michael Neaille of Arlington, Mr. and Mrs. Peter Morris of Natick and Mr. Peter Barnicle of Framingham.

Mr. and Mrs. Frank French of 61 Princeton Road, Arlington, announce the birth of a son on July 3, at the Wyma House of the Mount Auburn Hospital. Mrs. French is the former Camilla Powers.

Fire Dept's Notes

by "SPARK"

Thursday proved to be a busy day
for the department after a calm,
since the two alarm fire Sunday
afternoon.

Two small fires, but each one a
possible catastrophe, were the
cause of much excitement.

The first was a sprinkler alarm
from the Davis Company on Mill
street. The fire proved to be in the
sawdust underneath a sawdust
chute and bed in the rear of the
building. The sprinklers set off by
the heat put out the fire before ap-
paratus arrived.

Chef Tierney said he probable
cause was careless disposal of a
cigarette.

Shoppers and people walking
about Arlington center as the ap-
paratus from headquarters sped
through are still wondering which
firemen went to the fire minus his
boot. Apparently the valiant fire-
fighter was hanging on to the back
of Engine four pulling on his boot
when the truck hit a bump causing
the fireman to release his grip and
it went sailing out into the middle
of the avenue, much to the delight
of all who saw the incident.

If this were spring we might re-
mind of the old rhyme:
Hi Diddle Diddle, My Son John,
One Shoe Off and One Shoe On,
Dashed to the fire on Engine Four,
But left his boot on the Fire
House Floor.

Thursday night about 11:45 p.m.

apparatus from Arlington, Somer-
ville, Medford and Belmont sped to
East Arlington in response to two
box alarms and a telephone call.

Upon arrival, however, the only
fire found was an awning which
had just about burned itself out in
front of a store at 620A Mass. Ave.

Although the fire wasn't much,
a couple of interesting facts came
to light. The first being the re-
markable cooperation on the mu-
tual aid system. The Somerville
and Medford apparatus were at the
fire only minutes after the first
Arlington piece arrived. The rea-
son they answered the alarm was
two separate boxes were rung in.

The second feature of the fire is
a more less disturbing one. As has
been said, two alarms were sound-
ed from two separate boxes. How-
ever, at the same time, a patrol car
arrived, on its regular run, and it
too sounded an alarm over the two
way radio.

The driver of the car, an excel-
lent police officer, seemed peeved
that the box alarm had been rung,
stating, "its only an awning fire".

However, in the excitement of
the fire the officer probably forgot
this was just one instance in which
a policeman had been on the spot
when a fire occurred. Most fire
alarms are sounded by people on
the street, for a cop can't be every-
where.

The fact that two alarms were
sounded is easy to figure. A num-
ber of people, this reporter includ-
ed, were having their midnight
snack in a restaurant across the
street when the fire occurred. One
ran for the telephone and another
for the fire box outside, when they
saw the flames, which incidentally
were leaping quite high in the air.

COMMONWEALTH OF**MASSACHUSETTS****Land Court**

CASE NO. 13556 Misc.

TO JOHN J. LYNCH, of Arlington,
FRANCIS D. LYNCH, of Everett,
and WESLEY W. MORAN, now or
formerly of Somerville, in the
County of Middlesex and said Com-
monwealth; MARY B. EISEN-
HAUER, of Kenosha, in the State
of Wisconsin; and CORNELIUS E.
LYNCH, of Detroit, in the State of
Michigan;

GREETING:

Whereas, a petition for declaratory
judgement has been begun in our
Land Court by Helen G. Lynch, of
Arlington, in the County of Middle-
sex and said Commonwealth, rep-
resenting that she is the owner of
a certain parcel of land situate in
said Arlington, and being a certain
parcel of land numbered 24 Surrey
Road; that by the will of her late
father, Francis C. Lynch, who died
on May 4, 1937, Middlesex Probate
No. 216273, in clause ten thereof,
the above real estate was devised to
said Helen G. Lynch and Patrick L.
Lynch, jointly or to the survivor of
them, and that said Patrick L.
Lynch has deceased, and that your
petitioner now holds title to said
real estate free and clear of any
claims or claims of the respondents
who are the heirs of said Patrick L.
Lynch.

WE COMMAND YOU, if you in-
tend to make any defense, that on
the first TUESDAY of SEPTEM-
BER next, which Tuesday is the re-
turn day of this Order, or within
such further time as the law allows,
you do cause your written ap-
pearance to be entered and your writ-
ten answer or other lawful plead-
ing to be filed in the office of the
Recorder of said Court in Boston in
the County of Suffolk, and further
that you defend against said suit,
according to law, if you intend to
make any defense, and that you do
and receive what the Court shall
order, adjudge and decree therein.

Hereof fail not, at your peril, as
otherwise said suit may be ad-
judged, and orders and decrees en-
tered therein, in your absence.

And it appearing to the Court
upon the suggestion of the peti-
tioner that the whereabouts of some
of the above defendants is unknown
and they cannot actually be served
with process, it is ORDERED
that the petitioner give notice by
publishing a copy of this Order
once each week for three successive
weeks in the ARLINGTON PRESS,
a newspaper published in said Arling-
ton, he last publication to be one
month at least before the said first
Tuesday of September next.

And it is further ORDERED that
service on Mary B. Eisenhauer, of
Kenosha, in the State of Wiscon-
sin, and Cornelius E. Lynch, of De-
troit, in the State of Michigan, be
made by sending to them a copy of
this Order by registered mail, re-
turn receipt requested, at least one
(1) month before the return day.
Witness JOHN E. FENTON, Es-
quire, Judge of the Land Court, the
twenty-third day of JUNE, A. D.
1950.

SYBIL H. HOLMES
RECORDER

June 29 July 7, 1950

No one noticed the squad car which
was also calling in the alarm.

A second person, on the corner
of Lake Street also saw the flames
and dashed for the fire box on that
corner to sound the alarm.

The result of course being enough
apparatus to put out a five alarm
fire.

However, the fire was extinguished
in very short order with little dam-
age. There is the probability that
one peice, as would have been sent
on the radio call, would not have
been able to put out the fire as
quickly.

Another factor comes up, in that
supposing these people who, pulled
the alarm, all in good faith, had
been reprimanded for their action.
The next time they came upon a
fire they might hink twice about
sounding an alarm and the result
could be a general alarm fire, in-
stead of an awning fire.

The fire boxes are for the use of
the people. They are put on the
street so that the public can call
for the fire department quickly and

SHAW-HASSAM

At an anniversary party given
for her parents, June 17th, Mr. and
Mrs. Ernest L. Hassam of Egerton
Road, Arlington, announce the en-
gagement of their daughter Doris
Irene, to Mr. Ralph Caldwell Shaw,
son of Mr. and Mrs. Saunders D.
Shaw of Melrose.

Mr. Shaw is a graduate of Mel-
rose High and the Maritime Acade-
my. He served as an officer during
the last war. An October Wedding
is planned.

efficiently in the event of fire, re-
gardless of the size or scope of
the thing.

We here feel that anytime a fire
breaks out, the best thing to do is
sound the nearest fire box and play
safe. To be prepared is to prevent
disaster. We are hearing the slo-
gan, "too little too late", too much
at the present time, so, if you see
a fire pull the box, never wait for
the next guy to do it.

CORBETT-LANDRY

Mrs. Peter Landry of Cambridge
announces the engagement of her
daughter, Ann Winfield Hilard, to
James P. Corbett, son of Mr. and

Mrs. Michael H. Corbett of Arling-
ton.

A Summer wedding is planned.

THE OLD ADAGE

An old adage, indeed, that "all work and no play makes Jack a dull boy."

The "kids" on the farm are models of youthful efficiency. But they go a-fishin' whenever they can.

The business men, the housewives, the schoolchildren—they need their fishin' too!

But there is another way in which the old adage is true: **ALL WORKING** and no **PRAYING** leaves man a dull soul!

The God who created us never intended us to be able to get along without Him.

Our hands may sow seed, but they can't make it grow. Our minds may work out problems, but they can't solve the world's chaos. All of our efficiency hasn't brought us lasting happiness or firm hope.

But when we turn to our Christian faith, and seek its power through regular worship in our Churches—then we find the things we need and want most!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

| Book | Chapter | Verse |
|---------------------|---------------|----------|
| Sunday | I Corinthians | 10 23-33 |
| Monday | Jeremiah | 18 1-12 |

New MTA Cars On Order For Arlington Use

Mr. Edward Dana, General Manager of the M. T. A., notified Representative Henry E. Keenan of Arlington in a letter of July 7th that the contract has been let to build the twenty five new street cars for the Arlington-Harvard Square service. The letter was quoted as follows: "Dear Representative Keenan: I told you I would advise you when I knew about the bid for new cars for the Arlington Harvard Square service. The Board of Trustees has authorized purchase from the Pullman-Standard Car Manufacturing Company for these cars to be built in Worcester, Mass. at a cost of more than eight hundred thousand dollars, but we can not tell, due to the uncertain conditions of today, the exact date of delivery."

Mr. Dana also notified Representative Keenan about a month ago that the Trustees had approved an expenditure of over ten thousand dollars to build a new loop at the Arlington Heights station in order to allow this new type of car to turn around on the completion of its run. On a trial run of this type of car a short time ago, it was found that the facilities at the Arlington Heights station were not adequate to permit the turn about. Therefore, after much negotiation, it appears that Arlington is to get this new type of street car until such time as action is taken to extend the subway from Harvard Square to North Cambridge, which action is being worked on at the present time through legislative procedure.

Observes 98th Birthday Here

The Arlington PRESS extends its birthday greetings to Edmund M. Whitman of 38 Brantwood Rd., Arlington, who, as Arlington's oldest known resident was 98 last Saturday.

Mr. Whitman is a native of New Albany Nova Scotia, and has lived in Arlington since 1822, having previously resided for forty two years in Somerville and prior to that for ten years in Lawrence.

May 10, 1947 he was presented the Boston Post's gold cane by William C. Adams, then chairman of the Board of Selectmen, for being the oldest living resident of the Town in that year. It was reported in an interview with a Boston Paper he does not actually need the cane but "uses it for show".

Mr. Whitman is reported as still being in excellent health taking care of his gardens at his home. He recently returned from a trip to Maine with his sister Mrs. Mattie A. Smith of North Yarmouth, Maine, who is 93, and his daughter Miss Bertha M. Whitman. They attended a wedding in Halls Cove near Bar Harbor Maine.

Dies At Home Of Sister Here

Sunday evening, despite the efforts of Arlington police and firemen to save him, Mr. S. N. Kellogg of New York died at the home of his sister, 14 Hopkins Road Arlington.

Shortly after six o'clock a woman called police headquarters and asked that a pullmotor be rushed to 14 Hopkins Road.

Officer William White, and John Ryan, the ambulance and the fire department special service truck, with a resuscitator, were sent to the scene.

Officer White later reported despite the efforts to revive him, Mr. Kellogg was pronounced dead by Dr. William Dowd after firemen worked for over half an hour to revive him.

He was staying at the home of his sister, Mrs. Lucretia Kellogg, 14 Hopkins Road, Arlington.

To Conduct Real Estate Offices

State House, Boston: Sidney C. Lipton, Chester M. Lawson and Dorothea M. Lipton have filed an application with Secretary of State Edward J. Cronin for a charter to incorporate under the laws of this Commonwealth as Sidney C. Lipton, Inc., for the purpose of conducting a general real estate business at 1056 Massachusetts avenue, Arlington.

ENLIST NOW!

For information relative to enlistment in the United States Army or Air Force, see Sergeant William E. Smith at the Union Square Post Office, any week-day, or call Arlington 5 1240 R.

Drive Carefully

Boy's Shaken Up In Bike Crash

Only one accident marred the week end traffic record for Arlington, and it happened to be a freak accident.

Four boys, attracted to the open road by the warm air, were bicycling down Mile Hill on the Concord Pike when all of a sudden one of them shot out of line and tipped over.

The other three travelling at a good speed could not stop and all three spilled over the first driver.

The Belmont police cruiser happened on the scene of broken spokes and bones and took all four lads to the Mt. Auburn Hospital in Cambridge.

None of the boys were seriously hurt and all were returned to their Cambridge homes.

—And Not A Drop To Drink

Saturday afternoon, residents of Pleasant Street, thought the Northern Koreans had landed with a smash.

A huge truck carrying tonic, while proceeding along Pleasant street broke a carrying rack and spilled fourteen cases of empty tonic bottles to the street. They hit with a resounding crash.

Scores of residents dashed out to see what had happened but all they saw was broken glass knee high and two men with a broom and a disgusted look. Both men were occupants of the truck.

HEADS FIRM

Mr. Hallam T. Ring, former State Representative, was recently elected to the presidency of the National Lacer Paper Company, 137 Newbury Street, Boston. In his new capacity, Mr. Ring will also serve as General Business Manager of the firm.
